Message from the CEO

The coronavirus pandemic continues to impact everyday life throughout the world. Despite the challenges, we continue to put children first with the support of you and our community partners.

Our country, this state and NCHS are no stranger to challenges. Nebraska Children's Home Society was founded during The Panic of 1893. In that year, almost all crops in the state failed due to a persistent drought. The ensuing years would bring more crop failures and a financial depression. It was, in large part, due to these reasons that our services to children and families were needed.

With the community lifting us up, we have and continue to provide critical services throughout Nebraska. We've had to adapt to the changing needs that the time and circumstances bring.

Last year we completed a year-long strategic planning process to leverage our strengths and prioritize the new needs of families over the next decade. These changes will

ensure that we remain good stewards of your donations and put children first through every trial and tribulation.

In this annual report, you'll see our accomplishments over the last year and see what we've planned to work on for the next decade to work towards a vision of **"a safe and loving family for every child."**

We thank you for your continued support and wish you and your community health and peace.

Truly,

Lana Temple-Plotz

Chief Executive Officer

About NCHS

Vision

A safe and loving family
for every child.

Mission

To provide safe and loving
care to children of all ages.

Our Core Values – The six values below guide us.

INTEGRITY

We strive to do what is right for the child. Integrity is the foundation upon which we have built our organization, and is at the heart of everything we do.

ADVOCACY

We are champions for children. We speak out and take action to protect children, and strengthen families and communities. We work to create change in policies and practices to put children first.

INNOVATION

We embrace continuous improvement, bold creativity and change. We will persevere until all children thrive and families have the tools they need to succeed. We recognize that one size never fits all and push to design interventions that benefit every person.

COMPASSION

We care deeply for children and their families. Compassion begins with understanding trauma and promoting healing. We partner with families to develop, enhance and secure nurturing connections.

INCLUSION

We embrace the richness inherent in our diversity. Integrating our unique experiences, knowledge and perspectives helps us better understand children and support their families.

COLLABORATION

We value the importance of teamwork. We join forces with team members, professionals and community leaders, but, most importantly, we partner with families and children. By passionately working together with all stakeholders, we challenge each other to achieve the highest levels of professional excellence.

WHO WE SERVE: Our services are designed to support families and put children first at every stage.

49 of 93 Nebraska counties received services.

69% of adults served had a high school diploma, GED or less.

\$20K or less is the reported annual income of 42% of adults (18+) served.

“ALONE WE CAN DO SO LITTLE;
TOGETHER WE CAN DO SO MUCH.” – Helen Keller

VOLUNTEERS: Volunteers are vitally important to the mission of NCHS. Because of our dedicated volunteers, we have more capacity and more resources to serve children and families throughout Nebraska.

36 new volunteers joined NCHS, 356 volunteers returned for another year of service.

990.17 volunteer service hours, valued at \$24,724.55.*

*The value for volunteer hours is provided by Independent Sector (IS), a coalition of nonprofit organizations. In 2018, IS estimated the value of a volunteer hour in Nebraska at \$24.97.

A Legacy of Giving

The story of Project Elf

What started as a donation project for one family, has turned into an outpouring of love and generosity towards children and families across Nebraska.

Each year, hundreds of people donate gifts to Nebraska Children's Home Society, ensuring that every child served by the organization has a gift for the holidays. This all started in the home of Leann Elkins, a former NCHS volunteer. Her husband, Greg, and their four children started buying holiday gifts in December of 1986 for the children staying at NCHS's "Receiving Home," today known as the Children and Family Center.

In 1990, due to the growing number of children served by NCHS, Leann recruited her neighbors in Armbrust

Acres at 160th and Center Streets in Omaha. She hosted an annual coffee at her home where gifts were gathered and prepared for pick up by NCHS. Donations of candy were provided by Albertson's and Baker's supermarkets.

ALTHOUGH SHE
IS NO LONGER
WITH US, HER
KINDNESS
CONTINUES
TO GROW.

That first year, Harris Van Oort, former executive director for NCHS, picked up the gifts saying that "we've had nothing

quite like it.” He was impressed by the thoughtfulness and organization of the whole project.

Initially, Leann worked with Prudy Knowles, an NCHS social worker, to coordinate giving gifts to the children. She was instrumental in coordinating efforts so that each child would receive a set of gifts.

The giving circle kept growing and eventually another neighborhood committed to Project Elf. Leann’s sister, Brenda Christiansen, brought together her neighbors in Barrington Park at 156th and Dodge Streets to do the same thing.

“Eventually, each of the two neighborhoods would commit to gift giving for over 150 children,” Christiansen said.

On August 6, 2020, Leann passed away at the age of 62 in Scottsdale, Arizona.

Although she is no longer with us, her kindness continues to grow.

Today, Project Elf continues to brighten the holidays for children. The tradition, which still includes holiday parties in both Armbrust Acres and Barrington Park, has expanded to include companies, clubs, churches, youth groups, families and individuals who commit to give gifts to more than 1,200 children.

Children Jenny Cepek, Nicky Retzlaff, Dan Elkins and Jeff Elkins stand in front of a picture of their parents, Leann and Greg Elkins.

STRATEGIC PLAN

2019-2029

Strategic Plan

Although the challenges have changed over the years, children still come into the world vulnerable and facing risks. NCHS continually evaluates and adjusts services to address children's needs. As a mature organization, NCHS is ready to make bold strides to serve children and families like never before.

In a comprehensive sustainability planning process spanning over the course of a year, we've engaged our team, those we serve, service partners, investors, the Board, Trustees and key stakeholders to come together to assess and deepen the Nebraska Children's Home Society's approach to its work and the commitment to our mission. This included an examination of current service offerings, historical and current financial sustainability, and fundraising effectiveness.

This work illuminated seven issues critical to the continued success and

sustainability of NCHS, and when achieved, will allow Nebraska Children's Home Society to expand our life changing work to children and families across the state.

Addressing these critical issues will strengthen our organization, allowing us to successfully engage with our partners across the state, to achieve our Aspirations for Nebraska's children and families.

While the aspirations we've identified are plotted on a ten-year course, we recognize community and family needs are constantly changing, therefore we will be regularly engaging key stakeholders in the re-evaluation of our plan to ensure it remains timely and relevant.

The aspirations in our ten-year plan are bold, compelling, and cannot be achieved in isolation. We need our exceptional team, our service partners, our Board and investors to join us in this important work.

Together, we are prepared to do more of what we do best for the people who need it most. This Strategic Plan provides a new path of innovation and intentionality as we strive to meet the needs of all children and families across the state and uphold the vision of the Nebraska Children's Home Society.

A safe
and loving
family for
every child.

Strategic Plan: **Aspirations**

Aspiration 1

**Enable Successful Transitions to Adulthood
for Every Foster Youth**

As an organization committed to the success of Nebraska's most vulnerable youth, NCHS will connect every youth leaving foster care with a community of caring adults to help them navigate their future and prevent homelessness, incarceration, unplanned pregnancy, trafficking and addiction.

Aspiration 3

Expand access to home visitation

As an agency committed to the overall success of families, NCHS will unite with schools and community partners to provide home visitation for all families in targeted communities. Through strong partnerships, NCHS will ensure families can holistically access all the services necessary to build self-sufficiency, break cycles of abuse and poverty, and provide safe and loving care to their children.

Aspiration 2

**Ensure Bright Futures
for Nebraska's Children**

As an expert in harnessing the power of relationships to create lasting change for children and families, NCHS will partner with parents and caregivers raising children under unexpected and challenging circumstances to ensure they receive the knowledge, resources, and support needed to insulate their youth from the detrimental impacts of family trauma, poverty and other adverse childhood experiences.

Aspiration 4

**Lead Innovation to
Strengthen Nebraska's Families**

As a practitioner of innovative service delivery, NCHS will unite and strengthen Nebraska's families by partnering with universities, national and state coalitions, and thought leaders to design, test and implement cutting edge solutions focused on supporting responsive relationships, reducing sources of stress and strengthening core life skills.

Strategic Plan: **Priorities**

Priority 1

Establish a clear strategic direction

Using the strategic plan as a guide, align the work of the NCHS board, committees and the entire organization around strategic priorities and bold aspirations for the future.

Priority 2

Prioritize programs and services

Prioritize programs and services to align with NCHS's mission, vision and expertise. Services will undergo regular evaluation to ensure optimum alignment with the needs of Nebraska's children and families.

Priority 3

Improve fundraising

Overall fundraising efforts will align with a long term plan to ensure the sustainability of NCHS services. Compelling cases for support will foster investment from prospective donors.

Priority 4

Assess Community Needs/changing needs

Leverage the knowledge and expertise of communities across Nebraska to ensure NCHS's expertise aligns with community needs. Enhance and establish partnerships with nonprofits, businesses and foundations.

Priority 5

Strengthen endowment

Focus on enhanced planned giving strategies and major gift opportunities to strengthen the NCHS endowment.

Priority 6

Leadership succession planning & board engagement

Strengthen leadership succession planning and board engagement, to retain and recruit the best and the brightest in pursuit of the NCHS vision.

Priority 7

Optimize marketing and communication

Leveraging the power of personal stories, educate Nebraskans about purpose and services of NCHS.
